

JBC

KIDZONE

Dear Parents;

Its fall & back to school time! This means the fall ministries will be starting back up for the year, too! The weekend of September 14th & 15th is when we will start the regular KidZone & Discipleship classes. During the 3 service times there are classes for children birth thru 5th grade. For the Sunday 10:15 am Discipleship class time there are classes for children birth thru high school age, as well as adults. We are on the lookout for great teachers and helpers to volunteer for these 24 classes that are offered throughout the year. The requirements are: you love the Lord; you love kids; you have attended JBC for 6 months or longer; and you have completed a background check the church provides. People may volunteer anywhere between 3-12 months, and others may fill in as a sub. Also needed are folks to help with check-in. If you would like more information about how to get involved, please email the address below.

We have included the September calendar to help you figure out which ministry your child could attend, with the day and time. This calendar is in the monthly newsletter that is in each classroom as well as on the Children's Ministry table in the foyer (next to the color pages). We would encourage you to read this monthly information newsletter so that you can keep up to date with what is going on here at JBC plus other useful information. The newsletter is also posted on the JBC website.

Last year we started a new computer check-in system, which has worked very well! By scanning your family card, it produces 3 stickers for each child: one for the teacher, one for the child as a name tag, and one for the parent. Children must have a sticker to check into the classroom, and then parents/adults will have the matching sticker to check out the child. This greatly increases our safety for children. If you need a new card, just let the check-in people at the table know or email us. We can write out a temporary name tag for the day. Children's safety is a priority at JBC, and this new system has been helpful keeping our kids safe.

Also enclosed is the yearly form to fill out for your children. You will note we have added a place to write down additional adults that have permission to pick up your child besides you as parents. If there are any adults who are to have no contact with your child, please note that on the form as well. You can bring the form with you to church or fill it out when you check in your child. It is also on-line @ <https://www.jbc.church/kids>.

Thank you for letting us be a part of your child's life. If you have any questions, please ask!

In His Service: Janet Lee, Patty Duke and Kathy Williams.
