

Thank you for your interest in my "Leadership Class". Let me explain what the class is like:

- We meet on Saturday nights from 5:30pm until 6:45pm., beginning on Sept. 18<sup>th</sup> and ending the last weekend in May.
- Each week I have a lecture on some aspect of Biblical leadership. You will have a syllabus to fill in, giving you an outline of the lecture.
- Each week there is a quiz on the previous week's lecture.
- Each week every man is expected to read 50 pages in assigned reading, memorize 2 verses and quote them correctly in class, and listen to an assigned cassette tape or CD.
- In the first six classes I teach about goal setting and each man will set seven goals for himself and give a report on those goals each week.
- Each man will be expected to participate in the JBC Bible reading plan and to participate in two corporate prayer times each month, and to pray with his wife at least two times each week.
- I give points for every required discipline of the class, and each week there is a published score sheet with each man's cumulative point total. Anyone falling behind is expected to do some extra work to get caught up with the class.
- Also, we will meet on Thursday nights with our wives. This meeting will be for the purpose of training in personal evangelism and church growth. We meet at 7:00pm and finish at 8:45pm.

I have 16 men interested at this point, and I only let in 12 guys. If you think this is more than you want to bite off right now please let me know.

It is a great class and the men in it always grow tremendously in their Christian walk, but it does require commitment.
